PRESIDENT'S MESSAGE.

The Region 7 Picnic was a huge success. We want to extend our Thanks and Congratulations to the Picnic Committee that did a great job of planning and arranging the event. Special Recognition goes to Mike Anderson, Dave Courey and Juhli Selby for the vital roles they played in making this an outstanding and fun time. There was a good turnout, a lot of good food and drinks, fun and games for the kids and great prizes. Some estimated we had close to 500 people. Our Chapter had the most members (37) in attendance but it was a low percentage of our total membership of 135. Those of you that didn't come really missed a good time.

Ray Duchene of the Metro Chapter won the big trip to Hawaii. Ray is a great guy who has been in IPSSA for a long time. He has served the Region in many ways and is currently taking good care of our Benevolent/Emergency Fund. Congratulations Ray!

Our Advisory/Nominating Committee met recently and discussed a variety of items. The Committee is composed of Bob Fowler, Jon McArthur, A.J. Wilson, Jon Silcox, Bob Miller, Jon Rumble and myself. It was one of the most productive and enjoyable Meetings I have attended. There was a great exchange of ideas, suggestions that were shared by the

group. Paul Grimes provided each with a Chapter Roster that shows the year each Member joined IPSSA. We want to interact and come along side new members and make them feel welcome and absorb them into Chapter activities. We talked about having a New Member Orientation Meeting once or twice a year, name tags, setting up a mentoring relationship between the Advisors and New Members and producing a Chapter Pictorial Directory so we can more easily put names with faces.

A list of potential officer candidates is also being compiled. Each will be contacted by a Nominating Committee Member to make sure they are interested and have the right qualifications and skills to do the respective jobs. Each must also be willing to make the time commitment required to perform the duties and responsibilities in a proper manner. If you want to be considered for any Officer or Committee Chairman position please contact one of the Committee Members and let us know. There are a lot of opportunities. Formal Nominations will be made and ballot elections held at the October Mandatory Meeting.

Included in the Skimmer is a B. K. Taylor Memorial Award Nomination Form. There are two levels for the Award: One for the Chapter and another for the Region. Our Chapter winner's name will be submitted to the Region for consideration. There are some really nice rewards that go with each. Besides the Award Plaque and the recognition of being listed on the Perpetual Plaque, the winner and his wife can have a great time at a resort hotel. There is

a \$500.00 cash reward for the Regional winner. Please think about worthy individuals that have served IPSSA, the Chapter, the Community, a Charity or Church in meaningful and in significant ways. Fill out the form and be prepared to share your recommendations with us at the September Meeting. We need to submit our candidate to the Region in October.

You probably received a reminder from SDG&E that effective September 30th the rebate program will end. To qualify, they must receive applications by October 9th. So don't delay those installations any longer. Get them in while there is still time. Along these lines there are still some opportunities to get a donated Salt Generator at a substantially reduced price. A listing of those still available is included in this issue.

For the good of the order,
Jim Bradbury

Board Meeting-Sept. 7, 2005

Called to Order: 8:07 p.m.

Fillipi's Pizza Grotto, Kearney Mesa

Attending - Jim Bradbury, Bill Peck, Geoff Conradi, Paul Grimes and Steven Heyer.

Secretary's Report

Paul gave Jim Bradbury the latest copy of Standing Rules and Sick Leave Committee changes for review prior to printing and distribution.

Treasurer's Report

Geoff advised that 12 Blue Card fine letters were sent and checks are due in a few days.

We are in good shape financially.

Vice President's Report

Chapter Supporters

Bill Peck advised that three Chapter Supporters are up for renewal in October and letters will be sent.

Speakers

Member Joe Reid will present his experience and benefits of salt generators. Jim Carlson, an expert auto mechanic will give us tips on saving gas and keeping our trucks in good shape.

Prospective Members

We have a few members in the process, but need to satisfy one or more requirements before being presented for a vote.

President's Report

Jim advised of the Nominating Committee meeting with previous Chapter Presidents. Paul Grimes produced a member roster sorted by membership date for their use. The committee discussed ideas from holding new member orientations once or twice per year to setting up a system to match our expert techs with those who have questions and other ideas to improve member interaction. Potential changes to the meeting format were discussed as well.

At the September General meeting Jim will ask if there is interest in a Chapter directory with member photos.

At the October mandatory meeting, the Chapter will elect a new Board and nominate a member for the regional B.K. Taylor Memorial Award. Jim will include information in the September President's message and a B.K. Tayloir form will be included in the September Skimmer.

SDG&E will discontinue pump rebates September 30 and forms must be postmarked by October 9, 2005.

Jim thought the Region 7 Picnic was good this year and others agreed. We had 37 members attend, which gave us the most representation, but not the highest percentage of attendees.
